PRICE LIST

SELECTED
Alpine and Succulent
Rockery Plants

A Portion of Hyde's Rockery
at Watsonville

As the list of rock plants is so extensive and varied that it can only be limited by your location and growing conditions, we have carefully selected this collection as being the most interesting and desirable and that are sure to thrive under average conditions.

▼

We are constantly changing species and varieties in our rock plant department—adding new and discarding in favor of improved types. If you are looking for some particular plant, whether it be a rock or alpine plant, or shrub or tree, advise us and if we do not have it we undoubtedly can locate it for you.

ROCK PLANTS WITHOUT ROCKS

For you who have no rocks, many of the finest Alpines and Rock Plants can be grown in beds like lovely little "garden rugs." Nothing is more charming.

HYDE'S SPECIAL ROCKERY COLLECTIONS

We feel that there are many Garden Lovers desirous of including in their yards a planting of rock plants who are unfamiliar with the many species and without the opportunity of personally selecting the plants. For such, we will select well balanced collections to give color throughout the year.

HYDE'S SPECIALS—OUR SELECTION

10 Plants.....\$2.50 25 Plants.....\$5.00 50 Plants.....\$9.00

In ordering Special Collections, state whether your planting is to be made in a sunny or shady location.

We would stress a few of our best sellers as being very desirable.
You will find them described in these pages.

Acaena Glauca —Evergreen carpeting. Greyish foliage.....	\$.25
Achillea Clavannae —Silvery foliage. White flowers.....	.30
Achillea Milifolium Roseum —Fern-like foliage. Long stemmed rosy-pink flowers.....	.25
Achillea Tomentosa —Dwarf Yarrow. Golden-yellow flowers.....	.25
Achimenes grandiflora —Trailing plant for shade. Royal reddish-purple flowers. Fine for hanging baskets.....	.35
Aethionema Amoenum30
Aethionema Coridifolium —For dry sunny location. Rosy lilac flowers.....	.30
Aethionema Persicum —Deep rose30
Aethionema Pulchellum —Prostrate glaucous-blue foliage. Purple flowers.....	.30
Aethionema Saxatile —Flowers pink in long racemees.....	.30
Ajuga Reptans —Carpeting plant for moist shade. Blue flowers.....	.25
Allium Peninsulare —Broad leaf plant. Deep rose-purple flowers. Colonize in wild gardens35
Alyssum Saxatile Compactum —Showy yellow flowers. Open sunny location.....	.20
Alyssum Saxatile Luteum —Sulphur-yellow flowers.....	.25

ANDROSACES

Considered among the choicest of Alpine Plants. Require a well drained soil with plenty of leaf mold and a constant moisture supply at the roots.

Androsace Carnea —Rose flowers.....	.30
Androsace Chamaejasme —White with yellow eye. Rosette type.....	.30
Androsace Laggeri —Small compact rosettes. Bright pink flowers. Rare.....	.35
Androsace Lanuginosa —Red flowers. Trailing.....	.30
Androsace Lanuginosa Leichtlini —White with crimson eye. Trailing species.....	.30
Androsace Sarmentosa —Bright rose with white eye. Silk foliage rosettes.....	.30
Androsace Sempervivoides —Purple flowers30
Anemone Magellanica —Attractive foliage plant. White or yellow flowers. Partial shade. Moist soil30
Anemone Pulsatilla —Violet-purple25
Anemona Vernalis —Purplish and white35
Antennaria Alpina —“Everlasting” neat little Alpine.....	.30
Aquilegia Pyreneica —Dwarf columbine—Violet flowers20
Arabis Albida Rosea —Pink. For light soil in full sun.....	.20
Arabis Albida Variegata —Flowers white. Partial shade. Foliage attractively variegated cream and green25
Arabis Alpina —Single snow-white flowers.....	.20
Arabis Alpina Fl. Pl. —Double white flowers.....	.25
Arabis Turrita25
Areneria Caespitosa —“Irish Moss” Emerald green moss. Prefers shade. For carpeting between stepping stones.....	.25 and .50, or \$3.00 per flat
Armeria Vulgaris —Rose flowers. Grassy foliage. A fine border plant.....	.20
Asperula Cynanchina —For shady moist soil. Pinkish-white flowers.....	.30
Asperula Odorata —Good ground cover for shade. White flowers.....	.30
Aster Alpinus —Dwarf perennial. Large violet-blue flowers.....	.25
Aster Forrestii —Large lavender-blue with golden centers. Rare.....	.40

Aster subcoeruleus —Good dwarf species. Violet-blue flowers.....	.25
Astragalus Monspessulanus —Purple-red flowers in long racemes. Trailing.....	.30
Aubretia Bougainvillea —Rosy-mauve. For half-shade.....	.20 and .35
Aubretia Mrs. Lloyd Edwards —Crimson-purple.....	.20 and .35
Bellis Perennis —Double English Daisy. White, pink, red flowers.....	.15
Bellis Rotundifolia Coerulescens —Neat dwarf. Bluish daisy-like flowers.....	.25
Bellium Minutum —Dwarf Alpine Daisy. Pale lilac flowers.....	.25
Betonica Grandiflora —Dark rose flowers on long spikes. Good foliage Moist soil and shade35
Calamintha Alpina —Good ground cover. Lavender-blue flowers.....	.25
Calandrinia Umbellata —Sunny location. Dwarf shrubbery. Bright crimson-magenta flowers30
Calceolaria Polyrhiza —Pure yellow flowers. Very dwarf. Partial shade.....	.35
Calocephalus Brownii —Much-branched wooly-white shrub to one ft.....	.25
Campanula Barbata —Pale blue nodding flowers25
Campanula Bellardi Mirandi —Profuse silver-blue bells. A novelty.....	.35
Campanula Carpatica "Riverslea" —Large clear blue flowers.....	.25
Campanula Elatinoides —Trailing Gray foliage. Pale blue flowers.....	.25 and .40
Campanula Fenestrellata —Dwarf type. Lilac flowers.....	.25
Campanula Fragilis —Trailing. Light blue. For hanging baskets.....	.35
Campanula Garganica —Dwarf trailer. Blue with white center.....	.35
Campanula Glomerata —Large blue flower heads.....	.30
Campanula Glomerata Acaulis —Large rich violet stemless flower clusters.....	.30
Campanula Imeritiana25
Campanula Isophilla Alba —Pure white. Trailing. Fine for window boxes or hanging baskets35
Campanula Isophilla Mayii —Trailing blue35
Campanula Lanata —Grey foliage35
Campanula Latifolia —Tall growing. Purplish-blue flowers.....	.30
Campanula Laurii —Charming. Masses of deep lavender flowers.....	.30
Campanula Persicifolia —Blue flower spikes to three feet.....	.20 and .35
Campanula Persicifolia Alba —White variety of above.....	.20 and .35
Campanula Pusilla —Shining green leaves. Pale blue flowers30
Campanula Pyramidalis —Pale blue flowers to 5 feet.....	.50
Campanula Rotundifolia —Slender, graceful. Dainty blue flowers.....	.25
Campanula Turbinata —Violet-blue flowers. A good border plant.....	.25
Cerastium Tomentosum (Snow in Summer) —Silvery foliage. White flowers. A rapid spreader25
Cheiranthus Allioni —Siberian Wall Flower. Brilliant orange. Long flowering season and prefers sunny exposure15
Chrysanthemum Maximum Art —Fine foliage. White flowers.....	.30
Cistus "Sunset" —A dwarf shrub. Bright crimson rose. Sunny location.....	.25 and .60
Convolvulus Cantabrica —Rosy-pink. Dwarf.....	.25
Convolvulus Farinosus25
Convolvulus Mauritanicus —Light blue morning-glory flowers. Trailing.....	.25
Cortusa Pubens —Rosy-purple flowers.....	.30
Corydalis Ophiocarpa —Fern-like foliage. Yellow flowers.....	.25

Cyclamen Afraicanum—Dwarf white and purple cyclamen.....	.35
Cyclamen Europaeum—Purple and white. Very hardy and rare.....	.40
Cytisus Kewensis—Dwarf prostrate yellow broom. Sunny exposure.....	.30
Cytisus Radiatus—Bright yellow flowers. Miniature bush.....	.35
Daphne Cneorum (Dwarf Daphne)—Bright pink fragrant flowers. Field grown plants	\$1.25 to \$2.50
Daffodils and Narcissus—See our Fall Bulb List.	
Delphinium Pylvowianum—Dwarf. Violet blue30
Dianella—Tall grassy foliage. Dainty blue flowers with prominent yellow stamens.....	.30
Dianthus Allwoodii—Flowers in shades of white, pink, and rose.....	.25
Dianthus Alpinus—Very Dwarf creeping. Rose or white flowers. Best in partial shade....	.30
Dianthus Arvernensis—Minute species. Pink flowers25
Dianthus Caesius—Finest rock pink Shades of pink flowers.....	.25
Dianthus Campestris—Soft pink flowers20 and .30
Dianthus Deltoides—Dwarf tufted habit. Tiny deep rose flowers.....	.25
Dianthus Deltoides “Major Sterne”—Rich crimson. Free flowering.....	.25
Dianthus Freynii—Delicate pink flowers. Bluish gray foliage.....	.25
Dianthus “Furst Bismark”—Bushy plant with soft rose-pink flowers.....	.25
Dianthus Knappii—Light yellow flowers.....	.25
Dianthus Latifolius Atrocorecnius—Brilliant crimson.....	.25
Dianthus Plumarius—Pink or white “Old Fashioned Pinks”.....	.25
Dianthus Seguieri25
Dicentra Formosa—Bleeding Heart—Rose-pink flowers. Partial shade.....	.30
Dodecatheon Alpina—Tiny dwarf shooting star.....	.25
Draba Aizoon—Sulphur-yellow.....	.30
Draba Athoa—Yellow flowers.....	.25
Draba Repens—Tiny mustard-yellow flowers in profusion.....	.35
Dryas Octopetala—Evergreen carpets of oak leaves. White flowers.....	.30
Epilobium Hectori—A good trailer. Bronze foliage.....	.25
Epilobium Nummularifolium—A bronze trailer for damp spots.....	.25
Erica Carnea Rosea — Dwarf Heather. Low growing and spreading. Ruddy-red bells30 and .75
Erica Vagans—Cornish Heath. Purple flowers30 and 1.25
Erigeron Alpinus—To one foot. Pink flowers.....	.25
Erigeron Aurantiacus “Double Orange Daisy”—Dark green foliage tufts.....	.25
Erigeron Mucronatus “Everblooming Daisy”—Pale pink daisy flowers.....	.25
Erinus Alpinus—Reddish purple. For partial shade.....	.25
Erinus Hirsutus—Hairy foliage25
Eriophyllum Caespitosum “Oregon Sunshine”—Golden-yellow. Grey foliage.....	.25
Erysimum Pulchellum—Close dark green foliage mats. Yellow flowers for full sun.....	.30
Euonymus Radicans—Trailing. Green foliage.....	.30 and .75
Euonymus Radicans Variegata—A good trailer. Variegated.....	.30 and .75
Festuca Glauca—Close growing blue-grey needle-like grass.....	.25
Fragaria Chiloensis—Trailing strawberry White flowers.....	.25
Fuchsia “Baby”—Dwarf. Very attractive. Bright rose flowers.....	.30
Fuchsia Procumbens—Trailing for shade. Odd flowers followed by large red berries.....	.30

Gazania Splendens —Low growing. Brilliant orange.....	.15
Gazania Splendens —Bright yellow.....	.15
Gazania Speciosa —New red variety. Very brilliant.....	.50
Genista Horrida —Yellow. Erect bushy habit.....	.30
Genista Sagittalis —Low growing shrub. Yellow flowers.....	.30
Gentiana Acaulis —Ultamarine blue.....	.50
Gentiana Septemfida —For shady damp location, well drained peaty soil. Beautiful sap- phire-blue flowers50
Geranium Argenteum —Pale purple flowers. Silky white foliage. Full sun.....	.35
Geranium Pylzowianum —Large purple flowers.....	.30
Geranium Sessiliflorum —Greyish-white flowers. Dark green foliage. Very curious.....	.35
Geranium Traversii —Bright pink. Wooly and silver-grey foliage.....	.30
Geum Alpina Barbaricum —Orange-yellow flowers.....	.30
Geum Borisii —Orange-yellow. Continuous bloomer.....	.30
Geum Ciliatum —Pink30
Geum Sibricum —Coppery-scarlet25
Globularia Nana —Close growing miniature. Violet-blue buttons. Shade.....	.30
Gypsophila Cerastioides —Dwarf for sun. White red-veined flowers.....	.25
Gypsophila Repens —Creeping. White flowers.....	.25
Gypsophila Repens Rosea —Creeping. Pink flowers.....	.30
Gypsophila Transsylvanica —Erect. Clusters of flowers with colored calyx.....	.25
Helianthemum Chamaecistus —Low growing free flowering for sunny locations in fol- lowing colors: large apricot, single pink, red, yellow, apricot. Also double red. All.....	.45
Helleborus Orientalis (Christmas Rose) —Fine foliage plant with large flowers in shades of white, pink and maroon. For shady locations.....	.40
Hieracium Villosum —Large clear yellow flowers. Silvery and hairy foliage.....	.35
Hutchinsia Alpina —Small neat alpine with dainty white flowers.....	.25
Hypericum Coris —Distinct miniature. Rich yellow flowers. Rare.....	.35
Hypericum Fragile —Bright yellow flowers in cymes.....	.25
Hypericum Polyphyllum —Golden-yellow30
Hypericum Repens —Dark green trailing plant. Golden-yellow flowers.....	.30
Iberis Stylosa —Pale pink. Compact.....	.25
Iberis Tenoreana "Perennial Candytuft" —White to pale purple. Very showy.....	.30
Incarvillea Delavayi "Hardy Gloxinia" — Large rosy-purple flowers. For the shade.25 and .50
Incarvillea Grandiflora Var25 and .50
Inula Ensifolia —Large bright golden-yellow flowers.....	.30
Dwarf Iris —Most attractive with large short-stemmed flowers.....	.20
Atroviolaceae—Deep purple.	
Cyanea—Purple.	
"Fairy"—Light blue.	
"Florida"—Clear yellow.	
"Orange Queen"—Deep yellow.	
Pumila—Rich purple.	
Isolepis Gracilis —Slender green grassy foliage. A good water plant.....	.25
Jasione Perennis —Green tufts with bright blue flower heads.....	.25
Jasminum Parkerii —Dwarf Jasmine. Yellow flowers. Compact.....	.35

Leontopodium Alpinum “Edelweiss”—Wooly plant with yellow flowers.....	.30
Lewissia Columbianum —Pink and white striped flowers.....	.50
Lewissia Cotyledon —White flowers striped pink.....	.50
Lewissia Finchii —Soft pink with rose stripe.....	.50
Lewissia Rediviva —Waxy-white or pink water-lily flowers. Deciduous.....	.50
Lewissia Tweedyi —Peach colored flowers.....	.50
Linaria Aequitriloba —Creeping. Pale mauve flowers. For shade.....	.25
Linaria Cymbalaria . “Kenilworth Ivy”—Trailing. Lavender flowers.....	.25
Linum Alpinum —Dwarf flax. Blue. Full sun.....	.25
Linum Campanulatum —Yellow25
Linum Capitatum —Golden yellow25
Linum Narbonense —Deep azure-blue.....	.25
Linum Perenne —Azure-blue25
Lithospermum Intermedium —Blue drooping flowers.....	.40
Lithospermum Prostratum — Heavenly Blue — Trailing. Covered profusely with deep vivid blue flowers. Must have deep acid soil. Beautiful in the full sun.....	.50 and .75
Lotus Bertholetii —Trailer. Grey foliage and orange-scarlet flowers. Tender.....	.25
Lychnis Alpina —Brilliant rose flowers. Very dwarf.....	.30
Lychnis Lagascae Rosea —Rose flowers on 18 inch stems. Fine for cut flowers.....	.35
Mentha Requieri —Fragrant mint-like compact trailer. Purple. For part shade.....	.30
Menziesia Alba —Heather-like shrub. Large white flower bells.....	.30 and .75
Menziesia Polifolia —Form of above with purple bells.....	.30 and .75
Nepeta Mussini —Masses of grey-green foliage with lavender flowers in profusion over long season20
Oenothera Childsii — Mexican Evening Primrose —Trailer with bright pink flowers.....	.30
Oenothera Macrocarpa —Yellow flowering trailer. Rampant grower.....	.25
Omphalodes Verna —Deep rich blue flowers. For shade.....	.25
Ononis Fruticosa —Shrub to 2 feet. Pink or white flowers.....	.40
Onosma Stellulatum —Yellow flowers35
Onosma Tauricum —Citron-yellow fragrant flowers. For sun.....	.35
Oxytropis Campestris —Grows to one foot. Yellow flowers tinged purple.....	.25
Oxytropis Ochroleuca25
Papavar Alpinum —A minute poppy. Large pink, white, yellow or orange flowers. Choice	.25
Papavar Glaucum —“Tulip Poppy” Profuse scarlet flowers.....	.25
Papavar Rupifragum —Orange flowers in profusion.....	.30
Penstemon Cardwelli —Bright purple.....	.30
Penstemon Confertus —Sulphur-yellow30
Penstemon Heterophyllus —Rosy-purple flowers. Very choice.....	.20 and .40
Penstemon Procerus —Deep blue30
Penstemon Rattani Minor —Blue or mauve. Very dwarf.....	.30
Penstemon Roezlii —Rosy purple. Spreading, shrubby.....	.30
Penstemon Watsonii —Pale purple flower spikes. Neat bushy.....	.30
Phlox Adsurgens —Dense bright green foliage mats. Pink flowers.....	.35
Phlox Amoena —Bright pink25
Phlox Diffusa —Pink, white or lavender flowers on creeping mats.....	.50
Phlox Sublata Coerulescens .—Dwarf. Pale blue.....	.30

Phlox Sublata “Moss Pink” —Lilac, pink or white flowers. Trailing.....	.30
Phlox Sublata “Vivid” —Rose pink flowers. Neat compact.....	.30
Phyteuma Orbiculare —Violet. A pretty dwarf alpine.....	.30
Phyteuma Vagneri —Blue flowers35
Plumbago Larpentae —Intense blue. Autumn foliage.....	.25
Polemonium Carneum —Cream and light pink flowers. Fern-like foliage.....	.35
Polemonium Humile —Pale blue30
Polemonium Reptans —Light blue. Grows to one foot.....	.30
Polemonium Roseum —Pink25
Polygonum Affine —Rose flower spikes. For moist shady spots.....	.30
Polygonum Vaccinifolium —Rare prostrate shrub with pink flowers.....	.30
Potentilla Gracilis —Yellow flowers30
Potentilla “Mrs. Wilmot Taylor” —Rose-pink. Strawberry foliage.....	.30
Potentilla Roxana —Orange-red flowers30

PRIMULAS

We are testing about 150 species of hardy Primulas. Send us your name for a descriptive list after we give these thorough trial. The following Primulas we have found satisfactory.

Primula Auricula —Dwarf alpine. Assorted colors.....	.25
Primula Coerulea —Blue flowers30
Primula Florindae —Brilliant sulphur yellow. Drooping stems to 3 ft.....	.30
Primula Glauscescens Calycina —Large rose to purple flowers.....	.25
Primula Forrestii —Yellow with orange eye. Fragrant.....	.25
Primula Japonica —Flowers to 2 ft. on whorled spikes. Rose, pink and lavender shades....	.35
Primula Luteola —Sulphur yellow flowers in summer.....	.25
Primula “Mauve Queen”25
Primula Minima —Dwarf. Large rose flowers.....	.30
Primula Vulgaris —“English Primrose”—Assorted colors.....	.25
Prunella Webbiana —Rosy-purple flowers30
Pulmonaria Angustifolia Azurea —Gentian-blue flowers. For moist shade.....	.30
Pyrethrum Parthenium Aureum —Golden-yellow foliage. For borders.....	.15
Ranunculus Repens —Single yellow flowers. Trailing.....	.25
Ranunculus Repens Fl. Pl. —Clear yellow pompon flowers.....	.25
Salvia Pratensis —Rose flower spikes.....	.30
Saponaria Ocymoides Alba —Small compact plant with white flowers.....	.25
Saponaria Ocymoides Splendens —Cherry-pink flowers. Low trailer.....	.30
Saxifraga Aizoon Alba —Encrusted type. White flowers.....	.30
Saxifraga Aizoon Baldensis —Neat cushions. White flowers.....	.35
Saxifraga Aizoon Rosea —Rose pink.....	.30
Saxifraga Andrewsii —Flowers white dotted red.....	.25 and .40
Saxifraga Apiculata —Flowers yellow on dark green mats.....	.35
Saxifraga “Beauty of Ronsdorf” —Mossy mounds obscured in Spring by red flowers.....	.30
Saxifraga Cochlearis Minor —Minute rosettes of silvery leaves with white flowers.....	.30
Saxifraga Elizabethae —Solid carpets with yellow flowers.....	.30

Saxifraga Ferdinandi-Coburgi—Large rich yellow flowers..... .30

Saxifraga Hostii—White flowers dotted purple..... .30 and .50

Saxifraga Hypnoides—Mossy evergreen carpets with white flowers..... .30

Saxifraga Lingulata Bellardi—Compact rosettes with erect white flower panicles.. .25 and .40

Saxifraga Megesea—Large fleshy leaves. Umbels of soft rose flowers..... .25 and .40

Saxifraga Pyramidalis—Innumerable tiny white flowers on 18 inch stems..... .30 and .50

Saxifraga Umbrosa “London Pride”—White flowers on carpeting foliage rosettes.. .25 and .35

Silene Acaulis—Tufted and dwarf with pink flowers30

Silene Double Pink25

Silene Maritima—Compact tufts of glaucous-blue foliage with white flowers..... .30

Silene Saxifraga—Fine grassy foliage with small white flowers..... .25

Silene Schafta—Trailing. Masses of rosy-purple flowers..... .30

Sisyrinchium Iridifolium—Flowers yellowish-white. Iris foliage..... .25 and .35

Spirea Filipendula—Fern-like foliage. White flower heads on 2 ft. stems..... .25

Stachys Corsica—Dense compact carpeting plant with minute white flowers in profusion. For shade25

Stachys Lanata—Purple flowers. Good for borders or hanging baskets..... .25

Statice Serbica25

Stipa Bulbosa—Variegated grass. Fine for pool’s edge..... .25

Symphyandra Hoffmannii—Drooping white flowers to 2 feet..... .25

Synthesis Reinformis—Blue flower spikes. For shade..... .30

Thymus Albus—Bright green foliage with white flowers..... .25

Thymus Argenteus—Silver leaves. Lavender flowers..... .30

Thymus Aureus—Golden variegated foliage. Lavender flowers..... .30

Thymus Lanuginosus “Woolly Thyme”—Trailing mats. Purple flowers..... .30

Thymus Nitidus—Plant to 1 ft. rosy-lilac flowers..... .30

Thymus Serpyllum—Trailing with lavender flowers..... .25

Thymus Serpyllum Coccineus—Trailing. Bright red flowers..... .30

Tritoma—Dwarf—Flowers orange and yellow..... .35

Trollius Goldquelle Hybrid—Large yellow flowers on 18 inch stems. Fine for cutting..... .35

Tulips—See our Fall Bulb List.

Tunica Saxifraga—Pale pink Gypsophila flowers. Grassy foliage..... .25

Verbena Erinoides. “Moss Verbena”—Rosy-lilac flowers. For sun..... .25

Verbena Hybrids—Trailing. White, pink or purple..... .25

Veronica Allionii—Prostrate. Violet flower spikes..... .25

Veronica Amethystina—Bright blue. Trailing30

Veronica Bachofenii—Tall azure-blue flower spikes..... .30

Veronica Chathamica—Trailing shrubby with lavender flowers..... .25, .50 and .75

Veronica Fruticulosa—Blue or pale pink flowers..... .25

Veronica Incana—Silver-grey foliage. Deep blue flower spikes..... .30

Veronica Prenja (V. Austriaca)—Soft blue flowers..... .30

Veronica Prostrata—Light blue. Trailing..... .30

Veronica Repens—Azure blue flowers to one inch..... .25

Veronica Rupestris Nana—Dwarf. Blue flowers..... .30

Veronica Rupestris Rosea—Trailing. Pale pink..... .30

Veronica Spicata—Long blue flower spikes..... .30

Veronica Spicata Alba —White form of above.....	.30
Veronica Spicata Rosea —Deep rose spikes.....	.35
Viola Alpina —Large purplish flowers.....	.25
Viola Apricot —Rich Apricot.....	.15
Viola Florariensis —Purple flowers through a long season.....	.15
Viola "Jersey Gem" —Deep violet. Fragrant. Most satisfactory.....	.15
Viola "Jersey Jewell" —Deep violet larger than Jersey Gem.....	.25
Viola "Maggie Mott" —New. Lavender-blue with yellow center.....	.25
Viola Odorata Rosina —Pink violet. New. A true violet. Deep pink and fragrant.....	.25
Viola "Portland" —Brilliant dark purple. Long stems.....	.15
Viola Radio —Large lavender-blue flowers. Very fine.....	.25
Wulfenia Carinthiaca —Thick close leaved tufts with bright blue flowers.....	.30
Zauschneria Californica. "California Fuchsia" —Large brilliant scarlet flowers. For sunny exposure and light dry soil.....	.35

SUCCULENT ROCK PLANTS

Aeonium Arboreum —Golden-yellow flowers. Tall tree type.....	.30
Aeonium Canariense. "Table Plant" — White or yellowish flowers. Immense green rosettes30
Aeonium Decorum30
Aeonium Floribundum —Yellow flowers30
Bryophyllum Tubiflorum "Kalanchoe" —Red flowers. Tender.....	.25
Byrnesia Weinbergii —Glaucous thick foliage with white flowers.....	.25
Cotyledon Decussata —Odd, spiky, succulent foliage.....	.20 and .35
Cotyledon Orbiculata —Orange-red drooping flowers. Leaves almost white.....	.25
Cotyledon Papillarium —Lavender trumpet flowers.....	.25
Crassula Cooperii —Low growing with many pink flowers.....	.25
Crassula Prendolycopordes —Scaly foliage plant.....	.20 and .35
Crassula Tetragona —To 2 ft. White flowers.....	.30
Dudleya Farinosa —Flat with whitish leaves. Yellow flowers.....	.25
Dyckia Rariflora —Long orange flower spikes.....	.40
Echeveria Cuspidata —Large cup-shaped foliage.....	.30
Echeveria Elegans —Pink flowers25 and .40
Echeveria Nobilis —Large type30
Echeveria Pumila —A small species.....	.20 and .35
Echeveria Simulans —Dense rosettes25 and .40
Haworthia Margaritifera Var —A pretty succulent.....	.35
Kleinia Ficoides —Purple flowers. Bluish foliage. Slow growing.....	.25
Kleinia Mandraliscae —Leaves almost blue. Vigorous.....	.25
Mesembryanthemum Alstonii —New. Bright crimson flowers.....	.35 and .50
Mesembryanthemum Deltoides —Rose flowers25
Mesembryanthemum Flipes —Pink20
Mesembryanthemum Floribundum —Greyish foliage. Small bright pink flowers in profusion15
Flats of 100 plants for	2.50
Mesembryanthemum "Hydes Queen" —Bright waxy flowers of orange, bronze and pink shades in profusion hide the foliage in full sun.....	.20

Mesembryanthemum Laeve—Yellow flowers30
Mesembryanthemum “Large Orange”—Fast growing brilliant ground cover.....	.20
Mesembryanthemum Lehmannii—Pale yellow25
Mesembryanthemum Maximum—Small reddish flowers25
Mesembryanthemum Magenta20
Mesembryanthemum Ovalinguis—Lemon-yellow20
Mesembryanthemum Roseum—Large rosy-pink flowers15
Mesembryanthemum—Rosy purple20
Mesembryanthemum Speciosum—Our best seller. Large brilliant scarlet flowers with yellow center. Free flowering the year around.....	.25
Mesembryanthemum Verruculatum—Yellow. To 1 ft.....	.25

SPECIAL

MESEMBRYANTHEMUM COLLECTION OFFER

15 Varieties All Different for \$3.00

Oliveranthus Elagans—Showy red flowers. A handsome tender succulent.....	.30 and .50
Othonna Crassifolia—Yellow flowers. Fine for walls and baskets.....	.25
Sedum Acre—Brilliant yellow20
Sedum Alberti—Very dwarf. White flowers.....	.25
Sedum Album—Yellow. Dwarf.....	.25
Sedum Amaramacanthus25
Sedum Apliexicaule—Golden-yellow25
Sedum Arboreum—Rosy-red25
Sedum Coeruleum—Annual. Small blue flowers20
Sedum Confusum—Orange-yellow20
Sedum Dasyphyllum—Pink flowers. Grey foliage.....	.20
Sedum Dasyphyllum Gladuliferum—Dwarf type of the above.....	.20
Sedum Dengradium Cresta25
Sedum Divergens—Bright yellow flowers20
Sedum Forsterianum—Glaucous foliage tinged red.....	.25
Sedum Grandiflora—White flowers20
Sedum Hispanicum—A rapid bluish-grey ground cover. Cream flowers.....	.20
Sedum Kamtschaticum—Showy orange flowers25
Sedum Lineare Variegatum—Variegated. Pink flowers20
Sedum Mexicanum—Yellow flowers25
Sedum Moranense—Flowers white tinged red25
Sedum Multiceps—Pale yellow flowers25
Sedum Obtusatum—Yellow flowers25
Sedum Oreganum—Yellow flowers25
Sedum Pachyphyllum—Yellow flowers25
Sedum Palmeri—Orange and green flowers.....	.25
Sedum Pilosum—Large waxy pink flower heads.....	.25
Sedum Pulchellum—Rosy-purple flowers25
Sedum Reflexum—Yellow flowers20
Sedum Rupestre—Golden-yellow flowers25

Sedum Sarmentosum—Creeping. Bright yellow flowers25
Sedum Sexangulare—Yellow flowers25
Sedum Sieboldii—Pink flowers. A good pot or basket plant.....	.30
